Asian Pacific American Heritage Month Booklist May 2019

Start a love of reading, one book at a time!

Monthly Activity

Build your child's brain development by trying the activity below:

Sing to Me!

1. Think about the songs you grew up hearing. Pick a song that has a special meaning to you, your family, or your culture.

2. Find a quiet moment, such as before bedtime or nap time, and sing to your child. Don't worry about the quality of your voice - giving attention to your child is what is most important.

Here is an example:

"Mosquito, mosquito, don't you cry,
My baby's sleeping right nearby."

from Hush! A Thai Lullaby

Why? In addition to encouraging early literacy, sharing songs from your family strengthens your child's bond with you and other family members.

Monthly Family Reading Tip

Support your child's enthusiasm for reading by rereading their favorite book over and over again.
