# MUSIC MONDAY

*Sing, dance, celebrate, and learn*  
*Ideas from **naeyc***

“

Through music, children develop math, language, and literacy skills - All while having fun and being active!

Make up and record your own unique version of a song or write your own

Practice clapping, drumming, or stomping to the beat of the music while counting.

Make animal music

”

🔊 Share your celebration on NAEYC's and QSLA's Facebook pages or post to Twitter using the hashtag #woyc21
