

#WOYC21

# WORK TOGETHER WEDNESDAY

Work together, build together, learn together

Ideas from **naeyc**<sup>®</sup>

“When children build together, they explore math and science concepts and develop their social and early literacy skills. Try this:

 Make a fort of pillow and blankets at home

Create a new invention using household items

Build a block city out of legos, empty food boxes, etc. ”

Build and share pictures of children's creations on NAEYC's Facebook page or Twitter using #woyc21! Don't forget to tag #QualityStarLA, too!
