## Supporting Language Acquisition for Infant and Toddler Dual Language Learners

**Tuesday Nov. 30, 2021  
12:00 pm – 2:00pm**

Quality Start LA invites early educators to the **Supporting Language Acquisition for Infant and Toddler Dual Language Learners training event!**

In this training, participants will examine what typical language development during the early years looks like for infant and toddler dual language learners. We will discuss some key strategies that early childhood educators can implement that will support the language acquisition of young dual language learners and support home language maintenance.
