

On-line Professional Development Opportunities

Below you will find a list of FREE, on-line, professional development trainings that early learning educators and administrators can access to support with their required 21 hours of PD for QSLA. All trainings are either recorded directly in the CA ECE Workforce Registry or provide certificates that can be submitted to the Registry to count towards PD hours. For more opportunities, check out [Quality Start Los Angeles' Professional Learning page](#).

California Early Childhood Online (CECO) - The California Department of Education (CDE) has an Online Learning Portal that provides access to over 80 hours of self-paced training on a variety of early childhood related topics.

Children's Trust Fund Alliance (CTFA) - CTFA offers an online training to support implementation of the Strengthening Families™ Protective Factors Framework in multiple settings.

Desired Results (DRDP) - DRDP has online webinars available in both English and Spanish. All webinars are an hour long and qualify for professional growth hours through California Workforce Registry.

EdWeb.net - EdWeb.net provides webinars and professional learning communities so educators can share their best ideas and practices to improve teaching and learning.

Early Childhood Webinars - Early Childhood Investigations provides a series of quality webinars for early childhood educators. They offer [live webinars](#) and [recorded webinars](#).

Los Angeles County Office of Education (LACOE) - Inclusive ECE (IECE) has developed online training modules for ECE providers and parents serving children with disabilities.

Mandated Reporter Training - The California Department of Social Services provides Child Abuse Mandated Reporter Training in compliance with California state laws for mandated reporters.

Sesame Street in Communities - Sesame Street in Communities offers professional development opportunities in a variety of formats, from webinars, to training videos to courses and interactive trainings.

Strategies 2.0 - Strategies 2.0 offers webinars and other on-line learning opportunities focusing on improving family engagement knowledge and skills. Topics include: Trauma Informed Care, Family Strengthening Essentials, etc.

Quality Counts California (QCC) - QCC has released the first 2 of 5 of its new Family Engagement Training modules. Content is available in English and in Spanish.

QSLA Connect - QSLA Connect is QSLA's new on-line learning platform that offers self-paced, online courses as well as Live, virtual webinars and trainings, with new content added each month! [Sign up](#) to view and enroll in our currently available courses today.
