Cherry Blossom Finger-Painting Activity

**Step 1**
With a brown marker, crayon, or colored pencil, draw a large tree with many branch on your paper.

**Step 2**
Pour small amounts of both light pink and medium pink paint into a small plate or bowl without mixing the paints.

**Step 3**
Have your child dip their fingertips in the paint. Then create the cherry blossoms by dotting their fingers on the branches. Keep dotting until your branches have enough blossoms, and you’re done!

**Supplies:**
- 1 sheet of paper
- 1 brown marker
- light pink non-toxic paint
- medium pink non-toxic paint

**Did you know?**
In Japan, they have parties to view the cherry blossoms. This tradition is at least a thousand years old and is called Hanami!
