Monthly Activity

Build your child's self-confidence by trying the activity below:

Let Them Lead

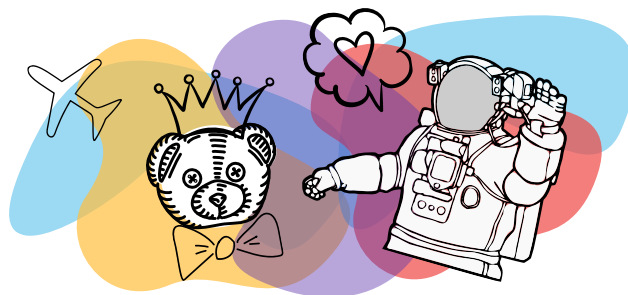

1 To get started, try this prompt:

"Let's play pretend!
Who should we be?
What should we do?"

2 Allow your child to take the lead by having them tell you how to act or dress.

3 The more enthusiastic you are the more fun you both will have! You'll also learn a lot about your child and their interests.

Monthly Family Reading Tip

Enthusiasm

While you read a story, vary the pitch and tone of your voice. Emphasize big moments and whisper other parts of the story. This helps make the story more engaging.
