FATHER'S DAY ACTIVITY

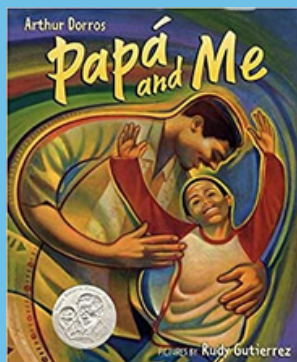

Celebrate the amazing father figures in your child's life with a one-of-a-kind rock painting craft and read-alouds!

STEP 1: With your child, go outside and find medium to large rocks with flatter sides (park, beach, backyard, etc.).

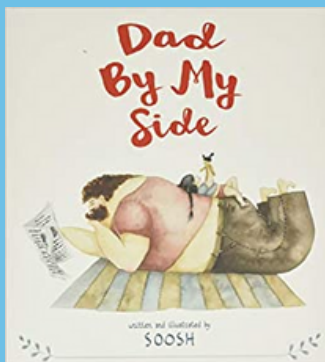

STEP 2: Clean and dry the rocks.

STEP 3: Find the flattest section and help your child draw or paint something that reminds them of their father/father figure!

Spend quality time this Father's Day with these FUN read-alouds! Click on the books to enjoy the stories together!
