HAPPY HALLOWEEN

SPOOKY

SLIME

MATERIALS:

- 1/4 tsp Jell-O powder (any color)
- 1/2 cup Cornstarch
- Squirt top water bottle

VOCABULARY TO TRY:

Ingredient • Touch
Mixture • Chemist
Experiment • Science
Reaction • Observation

INSTRUCTIONS:

1. Combine cornstarch and Jell-O powder in a mixing bowl.
2. Have child add water, a little at a time. Stir or mix with hands until slime begins to form.
3. Continue to add water little by little until slime clumps together instead of sticking to the bottom or sides of the bowl.

*If slime is too watery, add more cornstarch.
