FOURTH OF JULY ACTIVITY

If you're looking for a fun and interactive activity to celebrate the holiday, check out the fireworks painting craft and read alouds below!

STEP 1: Cut strips in the cardboard tubes, almost all the way to the top, as shown in the photo. Try cutting strips of different lengths or widths for different sized firework prints.

STEP 2: Pour the different paint colors onto paper plates

STEP 3: Dip the cardboard tubes into the paint colors.

STEP 4: Press the tubes onto the paper to create firework prints. Children can mix paint colors on the strips to create unique firework displays!
