## Mexican American Opportunity Foundation (MAOF)

The Mexican American Opportunity Foundation has been providing social services to families ranging from infants to seniors since 2016. MAOF's other R&R projects include the Bridge Program, Child Care Initiative Project (CCIP), Parent Cafes, and many more. MAOF partners with LACOE (LA County Office of Education) and Child Care Alliance of Los Angeles to support educators with trainings, coaching services & professional development opportunities. As part of QSLA, MAOF provides services and support to providers such as yourself. Their coaches play a crucial role in the professional development of QSLA participants and support the implementation of the program through the various services that are available.
