Meet Your QSLA Coaching Team

Pomona Unified School District (PUSD)

The Pomona Unified School District Resource and Referral Agency strives to build a trusting relationship with its early educators to support and encourage them to continue to provide high quality experiences to the children they serve. The agency provides Trauma Informed Care trainings through our Bridge programs for LA and San Bernardino Counties. As part of QSLA, PUSD provides services and support to providers such as yourself. PUSD partners with LACOE (LA County Office of Education) and Child Care Alliance of Los Angeles to support educators with trainings, coaching services & professional development opportunities. Their robust team of coaches not only coach early educators, but also conduct workshops, support potential early educators in the process of becoming licensed, and work closely with community care licensing.
